MORE RACING FOR SARATOGA. Reported That Summer Meeting Will Be Extended to September 10.

It was persistently rumored at Sheeps head Bay resterday that the Saratoga Ra cing Association has practically decided to take over the fall dates of the Coney Island lockey Club and extend the summer meeting at the Spa until September 10. In that event the Futurity and other important stakes will be run at Saratoga Instead of at Sheepshead Fay. The rumor could not be confirmed yesterday, but it was circulated by responsible turimen.

Baseball Notes.

Ebbets, it is said, intends to protest last Thursday's game, lost by the Brooklyns at the Polo Grounds. He contends that inasmuch as McElveen's drive hit the upper part of the stand home run should have been allowed. The stand ought to have been moved for Brooklyn's benefit. ought to have been moved for processys sensent.

Arthur Devlin will be reinstated on the Fourth
and the eligible to play in the game next Monday
morning. Which same will cause general repolicing among New Yorkers. A good many think
that about one day's suspension would have been
enough in view of the provocation he had for the
fight that led to his suspension.
